

Highlights of

2018/2019

We achieved

84%

of what we said we would in the past 3 years.

2,730

Helplines' enquiries answered.

"I wanted to say thank you for the conversation I had with a very helpful pituitary nurse this morning. I really appreciate this – it's made my day, maybe my year."

25th anniversary gala dinner to celebrate 2019, our milestone year.

250 delegates at the 2019 National Conference. Excellent feedback that the day had improved delegates' understanding of living with a pituitary condition.

"This has been one of the best conferences I've attended."

15,000

followers on social media,

31% increase on last year.

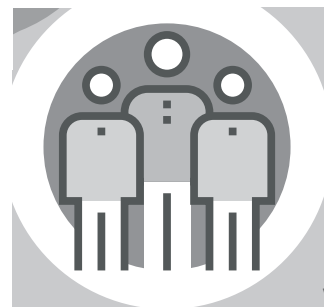

Over the past 3 years our website has seen over

2.7 million sessions and **4.6 million** page views.

Through our policy, campaigns and education work we continued raising awareness of pituitary conditions and championing changes in care.

Thank you to our team of

140

volunteers for all that you do to give people the support they need.

Our network of

36 Local Support Groups across the UK and **2,280** current members.

" I am very grateful for the high level of support offered to volunteers. I feel truly valued by The Pituitary Foundation. "
